**A Note About Neutral Spanish:** Sollah Interactive, LCC strives to use Neutral Spanish, which is understood throughout Latin America. It does not have the accent from Spain, Argentina, Cuba or the Caribbean. We make every effort to avoid localisms or words with equivocal meanings, and we use the most common word in case of conflicting significations. Please note that all foreign language videos may take ten working days from the order date to ship; multiple copies may take longer. DVDs purchased in foreign language are only available as auto-play. Please discuss with your Learning Consultant if this creates any questions or concerns. Thank you.
